

Princess Tutu

Supplies

- 2 Rolls of 6" x 25" Tulle in 2 colors
- 1 Roll of $\frac{3}{8}$ " x 10yd
Organdy Ribbon
- 1" wide Elastic or use a crocheted
head band (measured to fit waist)
- Beads, Bells, or
Embellishments (optional)

Directions

1. Measure waist and add 2". Sew piece of Elastic into a band.
2. Measure desired drop from waist onto leg, then double that measurement and add an additional 2". This is the measurement at which all your Tulle will be cut (Example: Waist to Thigh = 18" x 2 = 36" + 2" = 38").
3. Cut lengths of Ribbon to double the desired measurement drop from waist.
(Optional: Ends of Ribbon can be embellished with bells, buttons, etc.)
4. Fold a length of Tulle in half and wrap around Elastic, pulling ends through the loop until snug. Repeat around Tutu. Repeat with Ribbons/Bells until you achieve the desired effect.
